Highlights

High performance trimmer

Create perfect stubble or clean lines around the edge of your beard. The full metal guard on this high performance trimmer delivers a professional look.

Hair-clipping comb

Keep your hair neat and styled at the length you prefer by selecting between 18 different length settings on the hair-clipping comb, in 3/ 20"/ 1mm steps.

Turbo power

Get fast results on thick hair with the turbo setting, which increases cutting speed.

Detail trimmer

Create the fine lines and details that define your style with the 21mm precision trimmer.

Water resistant

Easy to clean by simply rinsing this groomer under the tap.

High-performance blades

Guaranteed best results with precision heat-treated blades made of finely ground Chromium steel.Self-sharpening blades ensure long-lasting performance while rounded blade tips and combs prevent skin irritation.

Nose trimmer

Easily and comfortably remove unwanted hairs from your ears and nose with this clip-on rotary trimmer.

Corded & Cordless Use

High performance battery with 50 min usage after only 1 hour charge. Also features a 5 min quick charge for one complete trim. If you run out of battery power while trimming, just plug it in and keep trimming.

Storage box & travel pouch

Reduce clutter in the home with the storage box; convenient travel pouch holds and protects your multigroomer when you're on the go.
